Pakita's embroidery charts

Serie III : Le filet ancien au point de reprise

In the early years of the 20th century, filet (darning on net) became very popular. The patterns often are in a neo-classicistic style.
The editor Wolf & Dupeyron published 12 albums with filet patterns under the name "Filet ancien au point de reprise".
The first 35 or so pages of each publication were charts, and the last 5 pages showed much larger patterns in a small resolution that could be ordered.
For this collection not only the regular, but also the large patterns were reconstructed.
The patterns can be used for filet, but also for filet crochet or cross stitch. They range from small to very large.

Enjoy!
